BRONZE LEVEL \$75

YBS MEMBERSHIP PLUS

We strive to keep our annual membership dues as low as possible. However, for some families, it is still too large of an expense. For a one-time donation of just \$75, you or your business can help cover the cost of an annual membership, plus additional resources needed for workshops and activities for a deserving child.

SILVER LEVEL \$125

YBS KIDS CARE PACKAGE

YBS Kids Care is the outreach portion of our organization, teaching our youth about the importance of caring for our community and giving back. For a one-time donation of just \$125, you or your business can cover the cost of a YBS Kids Care Package. These care packages usually include meals, gift cards, and other important supplies for the struggling families in our community.

GOLD LEVEL \$250

YBS KIDS WORKSHOP

Our workshops are designed to teach YBS Kids about our rich culture and heritage, as well as teach important life skills. For a one-time donation of just \$250, you or your business can help cover the cost of a YBS Kids Workshop, which includes any speaker fees, curriculum materials, supplies and refreshments. We offer workshops year round, and sponsoring a YBS Kids Workshop can give you or your company excellent visibility within our community.
